

Essence of Dance COVID Responsibility Code

Essence of Dance is committed to the safety of our students, their families, our instructors and staff. In order to keep everyone safe there are certain guidelines that we must adhere to.

All students and their families must agree to the below responsibilities as a condition of their participation.

Prior to arrival at Essence of Dance

- Health Screening Daily
 - Parents must perform a health screening with their child at home before coming to the studio
 - Do not come to studio if you are sick or exhibit any COVID-19 symptoms, or if a family member within the home is exhibiting symptoms
- Arrive at the studio no more than 5 minutes early for your class to prevent lobby congestion (this does not apply to students coming from another class)
- Arrive at the studio in your dance apparel
- Masks must be worn at all times on Essence of Dance premises
- Practice physical distancing at all times on Essence of Dance premises (2M apart)
- Observe one-way foot traffic along sidewalks and through the studios
- Please wait on a guide marker prior to being admitted into your class

Inside the studios

- Masks must be worn at all times
- Practice physical distancing at all times (2M apart)
- Must sanitize hands upon entering and leaving the studio
- Follow all instructions of EOD staff and teachers
- Do not go in areas that are restricted within the studio
- If you feel ill, immediately alert your instructor
- Do not share any food or water bottles
- Remain on a guide marker during breaks
- Dance wear and water bottles should be washed after each day of classes

I have read and understood the above responsibilities, and agree to be committed to the safety of all students, instructors and staff.
